Introduction: The Present Problem

Lon Solomon of McLean Bible Church, describes Bible stories and then asks the audience the question “So What?”: what relevance could such stories have to people living today? What relevance could understanding Saturn theories have to our modern age?

The answer: Most people are not aware of the scale of the problem of child trafficking and sacrifice in the world or the history of it.

<http://www.neonnettle.com/news/4270-massive-pedophile-ring-with-70-000-elite-members-busted-by-police>

Troy McLachlan (“Saturn Death Cult”) notes:

I define the ‘Saturn Death Cult’ as: The accumulated historical legacies of those occult and criminal agendas and organisations that seek justification for their actions and existence based on a corrupted interpretation of Saturnian myth and lore.

Two keys to understanding the scale suggest themselves. One is the case of Tommy Robinson in England:

<https://www.youtube.com/watch?v=71HLSGDOM9k>

Paul Weston lays out an overwhelmingly damning case against the British government and the role which it has played or refused to play in the gigantic scandal involving grooming gangs.

<https://www.youtube.com/watch?v=9RPoitFQQ8Y&t=864s>

Logically, one would assume that Robinson is being persecuted because he represents a threat to the British establishment and government. Peter McLaughlin, the author of “Easy Meat”, claims that the problem is pretty much everywhere in England and not just in the one or two towns which you read about. That would translate into several hundred thousand children being victimized over a space of 20 or 25 years.

The same problem exists in other nations:

The other key involves the nearly unanimous vote on the horrendous sanctions bill which was passed by the United States Congress last August:

https://en.wikipedia.org/wiki/Countering_America%27s_Adversaries_Through_Sanctions_Act

Pres. Trump signed the bill while describing it as seriously flawed since, amongst other things, it required the president to impose sanctions against Russia which were viewed as worse than the sanctions against Japan which started the Pacific war, and likely to start a Third World war. Pres. Trump has since allowed the deadline for the implementation of such sanctions to pass without acting. Many view that nearly unanimous vote as a message from the deep state to Pres. Trump i.e. a statement that the deep state controls Washington DC.

What is it possible to say about this worldwide system of control? What does that system consist of? How does it operate? What is the origin of that system, the purpose of that system if any other than control of political and bureaucratic figures?

Troy McLachlan notes (“Saturn Death Cult”) that:

As the Red Shield’s business interests expanded, it was accepted that an increasing amount of professional ‘managers’ had to be employed to run the day-to-day operations of a now global system of commerce. The advantage in procuring such minions was that the inner circle of the Red Shield could continue to operate in relative obscurity as far as the general public was concerned.

Where the slave trade came in handy was in its use as a blackmailing agent to control the minion class and ensure the job was being done to Red Shield specifications. What became known as White Slavery allowed the Illuminated Ones of the Red Shield’s inner circle to capitalize on the sexual deprivations of their minions as an entrapment should they ever think about breaking ranks. The entrapment technique employed by Mystery Babylon on its minion classes took the form of a subtly different mode of blood ritual utilizing the predominantly Christian heritages of its participants.

The upsurge in Satanic or Luciferian-based ritual activity during the later part of the 19th century was a carefully calculated minion-specific variant on existing Saturnian sex-blood rituals. Its symbols were markedly different, but its murderous activities paralleled those of the Illuminated Ones. Luciferian and Satanic rites promoted a powerful sexual incentive for those invited to join and this was fed by a steady supply of expendable women and children gathered from the less fortunate sectors of society.

The nature of ancient religions and the ancient pantheon gods and goddesses

Does this system of control and the practices which we read about involving pedogate/pizzagate originate with the Rothschild dynasty or does it go back further than that? Apparently, it goes back **MUCH** further than that; Troy McLachlan claims that there is a direct line of descent from ancient religious practices to occult practices which still thrive in our present world. Getting a handle on this requires at least a minimal understanding of the ancient history and prehistory of our planet and of the gods and goddesses which the ancients used to worship. In general, and astral God or Goddess had three aspects:

1. The cosmic body (planet or star) associated with the God or Goddess.
2. The bicameral voice associated with the God or Goddess as per Julian Jaynes analysis.
3. Idols constructed on earth to represent and that God or Goddess.

Primitive people seeking to construct an astral religion in today's world would invariably end up worshiping the sun and moon. Nonetheless, the two chieftain gods of every one of those ancient pantheon religious systems were the two former dwarf stars, Jupiter and Saturn and particularly Saturn. Plato consistently refers to Antediluvians as children of Kronos/Saturn. Hesiod and Ovid both claimed that there had been a Golden age of man when Kronos/Saturn was the King of heaven, followed by a brief silver age when Jupiter/Zeus was the King of heaven, followed by the more recent ages. In the same language, our sun is the King of heaven now.

NUM 21:29 Woe to thee, Moab! thou art undone, O people of **Chemosh**: he hath given his sons that escaped, and his daughters, into captivity unto Sihon king of the Amorites.

1KI 11:7 Then did Solomon build an high place for **Chemosh**, the abomination of Moab, in the hill that is before Jerusalem, and for Molech, the abomination of the children of Ammon.

Baal/Moloch

<https://en.wikipedia.org/wiki/Moloch>

*Cleitarchus, Diodorus Siculus and Plutarch all mention burning of **children** as an offering to Cronus or Saturn, that is to **BaalHammon**, the chief god of Carthage. ... They attempted to make amends by **sacrificing 200 children** of the best families at once, and in their enthusiasm actually **sacrificed 300 children**.*

King James Bible, ancient times:

LEV 18:21 And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD.

DEU 18:10 There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch.

2KI 16:3 But he walked in the way of the kings of Israel, yea, and made his son to pass through the fire, according to the abominations of the heathen, whom the LORD cast out from before the children of Israel.

2CH 33:6 And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and used witchcraft, and dealt with a familiar spirit, and with wizards: he wrought much evil in the sight of the LORD, to provoke him to anger.

EZE 16:21 That thou hast slain my children, and delivered them to cause them to pass through the fire for them?

JDG 2:13 And they forsook the LORD, and served Baal and Ashtaroth.

JDG 3:7 And the children of Israel did evil in the sight of the LORD, and forgot the LORD their God, and served Baalim and the groves.....

From ancient to modern times:

4. Imitation magic (child sacrifice) Saturn eating his own children from myth (cosmic body reabsorbing satellites...)
5. Control

John Milton, Paradise Lost:

*"First MOLOCH, horrid King besmear'd with blood
Of human sacrifice, and parents tears,
Though, for the noyse of Drums and Timbrels loud,
Their children's cries unheard that passed through fire
To his grim Idol. Him the AMMONITE
Worshipt in RABBA and her watry Plain,
In ARGOB and in BASAN, to the stream
Of utmost ARNON. Nor content with such
Audacious neighbourhood, the wisest heart
Of SOLOMON he led by fraud to build
His Temple right against the Temple of God
On that opprobrious Hill, and made his Grove
The pleasant Vally of HINNOM, TOPHET thence
And black GEHENNA call'd, the Type of Hell."*

Peter McLaughlin (author of “Easy Meat”) claims the problem with grooming gangs in England is widespread and universal and not just a problem in Rotherham and the one or two places we read about. That would appear to translate into some very large number of victims.

In order to get a better picture of where this kind of twisted thinking comes from, those interested might want to look in more detail at Kabbalaism and at Babylonian mystery religion. These occult paganistic, Luciferian, anti Christian doctrines can be seen manifested in the highest degrees of Free Masonry and other secret societies, in the Kabbalah Zohar literature, in the subversive Sabbatean/Frankist movements and in the highly unpleasant supremacist teachings of the Babylonian Talmud bible – a doctrine that refers to non Talmudists as the sub-human Goyim/Gentiles (cattle) and which is followed and taught within Rabbinical and ultra orthodox Talmudism and within religious and political Zionism.

Babylonian occultism has also crept in to most other organised religions at the higher levels including Roman Catholicism, Islam, Protestant Christianity, Buddhism, Hinduism and the New Age Movement. It is also to be found as a guiding principle in the upper echelons of the unelected United Nations.

Saturn Death Cult & Occult Practices

Alongside globalist corporations and philanthropists, these followers of occult Kabbalaism and extreme Talmudic and Zionist teachings seem to be especially preoccupied with deliberately destroying the indigenous nations and Caucasian race of Europe through mass enforced and unfettered multiculturalism. They also seem preoccupied in destroying the traditional Christian heritage and moral values that have largely helped to build and maintain a flourishing and diverse, culturally rich European civilisation.
